Rodmakers Findings™ are made to order. Parts are not usually held in stock due to the variable needs and timing of customers. Every effort will be made to ship as promptly as possible. Turnaround time may be up to 2 weeks or more depending upon part complexity. If you require faster order processing please call or email before mailing your order. The shipping options noted above are for delivery to customers located within the continental US. If you require an order to be shipped beyond this region please call or email for shipping costs before ordering.
